

It's Time for Ho-Ho-Holiday Toys!

Check out some of this year's best toys (reviewed by local families) before buying gifts.

National Geographic Hobby Series Pottery Wheel
\$139.99; 8+
Amazon.com

Developed by professional potters, this lightweight, portable pottery wheel kit features an 8" wheel, two-way rotation, articulating arm tool, a quiet, variable-speed motor and all supplies to get started. Perfect for all skill levels.

Giant Double-Sided Inflatable Axe-Throwing and Ball-Toss Target Game
\$134.99; 3+
HearthSong.com

Release your inner lumberjack! This innovative dual-sided outdoor game features durable vinyl target boards for inflatable axes and ball tossing. Includes 3 weighted axes, 3 balls, 4 ground stakes, tethers and water compartment for weighted base.

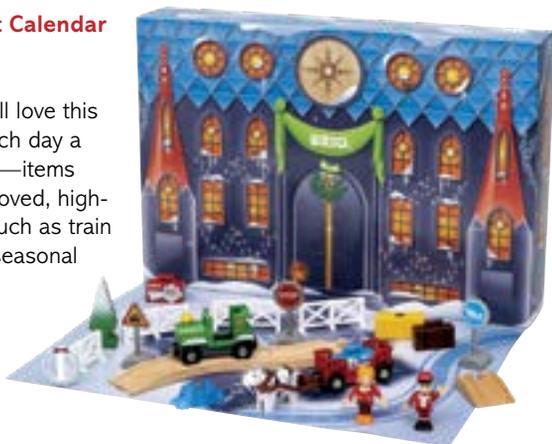

Furby
\$69.99; 6+
Amazon.com

An all-new chatty little Furby is back with 600 phrases, jokes and songs. Furby responds to hugs, pats and eating its pizza charm. The more kids play, the more fun features are revealed.

BRIO Train Advent Calendar
\$49.99; 3+
BRIO.net

Train enthusiasts will love this advent calendar! Each day a surprise is revealed—items compatible with beloved, high-quality BRIO sets, such as train tracks, road signs, seasonal accessories, even Santa Claus.

Storytime with Sunny
\$59.99; 3+
VTechKids.com

Sunny (the friendly talking lamp) engages children as she tells stories and jokes, sings songs and asks questions. Kids hang on every word as Sunny invites participation in 300+ activities, encouraging healthy habits, good manners, mindfulness and a quiet bedtime routine.

"I am shocked at how quickly my 3-year-old took to Sunny," says mom Brit. "She can't wait to greet her in the morning and talk to her."

Explore the Outdoors!

Travel Camper

\$59.99; Ages 3–8

Lakeshorelearning.com

Imaginations soar with this awesome travel camper! Open the roof to reveal a dinette, kitchen, bathroom and bed. The fun continues with an awning, foldout grill, chairs and fire ring. Includes family of three and dog.

National Geographic Metal Detector:

Explorer Series

\$49.99; 8+

Amazon.com

Search for treasure at the beach or park with this lightweight, collapsible metal detector, perfect for beginners of all ages. "My 9-year-old couldn't wait to get her hands on a metal detector," says mom Brenda. "She loves exploring with it!"

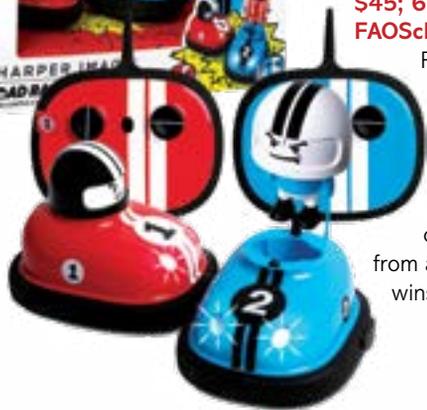

Sharper Image

RC Road Rage Speed Bumpers

\$45; 6+

FAOSchwarz.com

Play fast-paced duels against your rival—crashing is encouraged. Bump the other driver hard enough to eject and send him flying! Use wireless remote control to battle each other from a distance until someone wins. Batteries not included.

DC Comics The Batman

Jack in the Box

\$27.50; 6 mos.+

Amazon.com

Gotham City meets "Pop Goes the Weasel" with this retro Jack in the Box by Kids Preferred that entertains babies over and over again.

Rainbow Learning Lights Mixer

\$29.99; 2–5

LeapFrog.com

Mix learning and imagination with this engaging stand mixer that features a spinning paddle and detachable bowl. Little ones practice counting and learn colors while playing. Includes recipe cards, pretend ingredients and more.

Bluey Hammerbarn Shopping Playset
\$69.99; 3+
MooseToys.com

Bluey fans are thrilled with the Hammerbarn Shopping Playset, which is 22" tall and features dozens of sound effects. Comes with 15 play pieces (including exclusive figurines), a working lift to ride to all four levels, and a working trolley (cart) return.

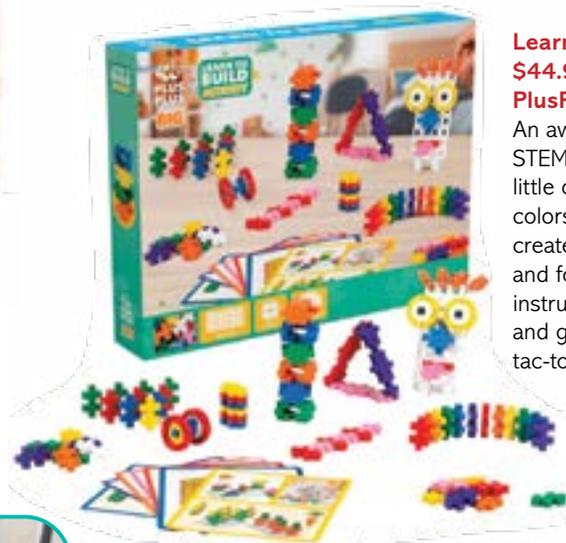

Jetson CoComelon Light-Up Trike
\$69.99; 2-4
Target.com

Toddlers love this CoComelon themed trike, featuring LED lights, two baskets and an attached bell. The low seat with seatbelt keeps kids secure while pedaling around.

Learn to Build Big Activity Set
\$44.99; 18 mos. +
PlusPlusUSA.com

An awesome set that encourages STEM and grows with kids! Helps little ones discover patterns, colors and shapes while older kids create mosaics, build sculptures and follow patterns. Includes 10 instruction cards, 100+ pieces and games like bowling and tic-tac-toe.

My Baking Oven with Magic Cookies
\$49.99; 3+
Hape.com

Encourage imaginary play as little bakers practice their craft with this adorable set. Arrange cookies on the tray, pop into the oven and watch as the magic light turns cookies a darker color. Timer "dings" when done. Requires 3 AAA batteries.

Sleigh Toothpick Bear
\$25; 12 mos.+
GUND.com

Toothpick is ready to spread holiday spirit! The 15" bear sports a festive snowman sweater and sweet expression, while his floppy limbs make him a perfect cuddling companion.

Little Live Pets--My Puppy's Home
\$59.99; 5+
MooseToys.com

Building this dog house with (included) plastic hammer and screws is part of the fun that leads to a surprise! When construction is complete, fill the water bowl to see paw prints appear. Then, add the name plate to discover an adorable puppy has magically found its way inside. Puppy makes 25+ sounds.

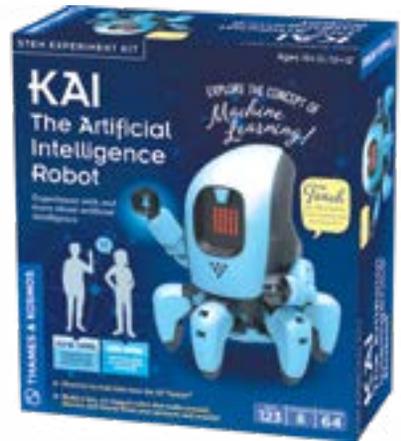

Lincoln Logs 2-Tiered Tree House
\$39.99; 5+
BasicFun.com
 Inspire imagination with a set of nostalgic Lincoln Logs that makes a two-tiered tree house! Kids enjoy hours of creative play, using three included tree house designs or creating their own. Comes with 75+ pieces, including wooden interlocking logs, a tire swing, ladder and tree canopy.

Directive
 idigniet arit landi bearument, corepratias as seratur ma valori
 ommolorem a aut aut omnimi, voluptasit quoditas alitatem
 dolloreris a vent re sint velestibea expliquam in plis

National Geographic
Volcano Bean Bag Toss
\$49.99; All ages
Amazon.com

A unique outdoor game offering five different games for up to four players. Portable and easy to set up. Includes eight bean bags. Great gift for families that love to be outside!

KAI: The Artificial Intelligence Robot
\$99.95, 10+
ThamesAndKosmos.com

Experiment with AI and machine learning with KAI (Kosmos Artificial Intelligence), an app-enabled robot that reacts to your gestures and sounds. Machine learning is an aspect of AI in which computers recognize patterns and make predictions. Explore the future of advanced computing technology!

Sketch and Glow Easel 3-in-1 Art Set
\$50; 3+
FAOschwarz.com

This collapsible tabletop easel has a light board on one side and chalkboard on the other. Eight unique light modes bring colorful artwork to life! Built-in storage compartment holds markers, chalk and eraser (included).

CoComelon Big Bouncer
\$84.99; 3+
Target.com

Kids will jump for joy (building muscles and strength as they play) with an adorable bouncer for home! Parents love the mesh walls and built-in pump that inflates/deflates the bouncer in minutes.

LeapFrog Slide-to-Read ABC Flash Cards
\$17.99; 3+
Amazon.com

A touch-and-learn tablet that teaches kids early reading skills, letter sounds and recognition and more. Includes 13 double-sided cards featuring letters, words, sentences and colorful pictures. Cards store securely in the back.

DUPLO Dream Playground
\$49.99; 2+
LEGO.com

Little ones enjoy hours of imaginative play with this versatile playground as five figures climb, slide, swing or seesaw together. A great gift for toddlers!

Slice & Bake Christmas Cookie Play Set
\$27.99; 3+
MelissaandDoug.com

Just in time for Christmas, this festive set includes a tube of 12 sliceable wooden cookies, 12 decorative toppings, an oven mitt, wooden cookie sheet, knife and spatula. A "sweet" introduction to pretend kitchen play.

Casiotone CT-S1BK
\$219.99; 10+
Casio.com

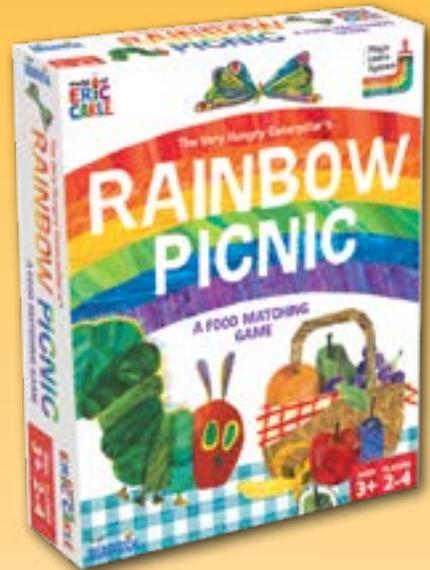

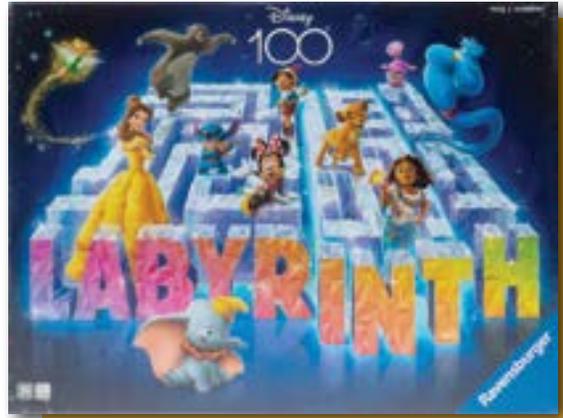

This portable keyboard is not a toy, but an awesome and affordable instrument that deliver incredible sound quality. Older kids, teens and musicians rely on it for on-the-go practice or performance. Features 61 full-size keys and a variety of Casio sounds. Available in black, white or red.

VTech Bluey Bluey's Keytar
\$24.99, 3+
VTechKids.com

Use your imagination to make music using the keyboard or play along with 10 built-in melodies including the Bluey theme song. Transform the keyboard notes to sound like a guitar, Chattermax, Bluey's sister Bingo and more by choosing from 10 instruments and sound effects.

Sloth in a Hurry
\$23.99; 5+
eeBoo.com

A fast-moving improvisation game for all ages that combines creative thinking and a sense of humor. A player draws a WHO card, a WHAT card, then spins for HOW, and briefly acts out the combination. Sometimes challenging, always a lot of fun.

Live up game night with new family board games such as **Ravensburger Disney100 Labyrinth** (\$36.99; 7+), **The Very Hungry Caterpillar Rainbow Picnic Game** (\$19.99; 3+) and **Monopoly Chance** (\$19.99; 8+).

Find these new games and more at www.sandiegofamily.com/for-the-kids/kid-tested-toy-product-review.

Airbrush Plush Unicorn

\$44; 6+

Amazon.com

This soft and collectible plushie is your blank canvas. The real airbrush tool makes it so easy and satisfying to create seamless color-blended effects. Explore your style by customizing over and over again. Simply wash and repeat to give your plush a makeover.

Little Castle Pound and Roll Toy

\$32.99; 1+

us.BababooAndFriends.com

Various play activities with illustrations from the world of Bababoo and friends are integrated on both sides of the knocking bench. Multifunctional tapping games promote dexterity and motor skills, support coordination and understanding of cause and effect.

Ocean Creatures Clixo Pack

\$34.99; 6+

Clixo.com

Specially designed glow-in-the-dark pieces, fins, and tentacles. Inspire creative confidence, foster STEAM learning, and discover the power of play as you build countless underwater creations.

Goliath Honey Buzz

\$39.99; 10+

Target.com

It's your job to build the hive, find nectar, and make honey to sell to all the woodland creatures. Expand your hive and attend to your queen in this beautifully illustrated competitive tile placement game. After all the orders have been completed, the hive with the most money wins.

Magformers Challenger 30 Piece Set

\$55.69; 3+

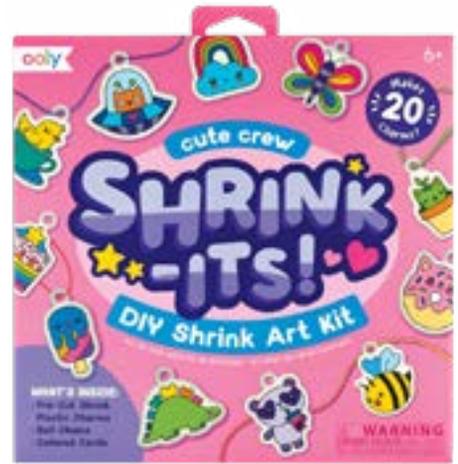

Magformers.com

The new mini octagon and mini hexagon pieces connect on every other side, to encourage out-of-the-box thinking and stimulate that creativity. Elevate your builds and create new and intricate models with 4 triangles, 10 squares 8 mini hexagons, and 8 mini octagons like a ukulele or even a dinosaur.

Shrink-Its! DIY Shrink Art Kit
\$12.99; 6+
Ooly.com

Includes 20 quirky charms, three differently colored cords, and five differently colored ball chains. You simply provide the markers or color pencils and the oven, perfect for hanging on a backpack or keychain.

Arctic Riders
\$36; 7+
SimplyFun.com

Players take turns trying to feed the narwhals by adding or subtracting the numbers on their cards and placing treats on the correct answers on the board. Different point values are scored when the narwhal lands on your treat or swims by. The player with the most points at the end of the game wins.

Lite-Brite Mini-X Connect
\$9.99; 4+
BasicFun.com

Start by assembling your light art using the 170 colorful mini-pegs and one of eight design templates, then connect your Mini-X Connect to another and watch your art come to life. All sides of the grid are connectable to allow for maximum artistic flexibility.

Fashion Angels It's My Biz Pet Care Kit
\$19.97; 8+
FashionAngels.com

The kits come filled with useful tools to start their own businesses, such as business cards, space for logo doodles, glossary of important terms, receipt sheets, materials to help promote their business, inventory, budget samples and more.

Richard Scarry's Busytown Seek and Find Game
\$24.99; 3+
UniversityGames.com

Play a fun, engaging game to race around a jumbo-sized board to find hidden characters like Father Cat, Sally Cat, and the Pig Family. This board game also features two levels of play, suitable for both younger and older players.

**Ms. Santa's Reindeer
500-Piece Puzzle**
\$23.99; 6+
eeBoo.com

A 500-piece puzzle that will bring lasting memories to your holiday season.

Gel Blaster Starfire XL
\$99.99; 14+
GelBlaster.com

Users can practice accuracy, play one of the many built-in games, choose single- or multiplayer game modes, or wirelessly network multiple Portal targets together for the ultimate backyard blaster tag game.

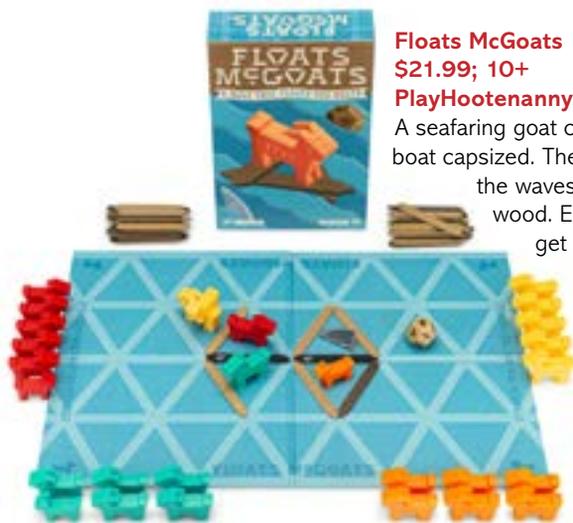

Match & Learn Cookies
\$24.99; 2+
LeapFrog.com

Little pastry chefs can pretend to make and bake 26 yummy-looking letter cookies. Press each colorful cookie into the tray to hear letter names, letter sounds, colors and flavors. Match the correct cookie to the letter-shaped cookie tray cutouts to bake the perfect batch.

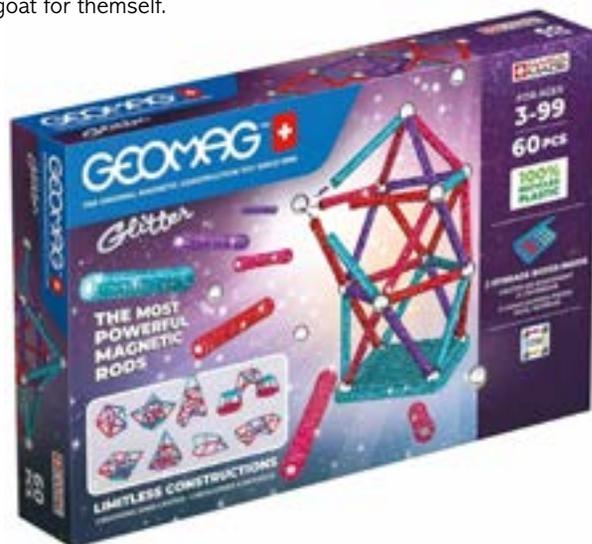

Floats McGoats
\$21.99; 10+
PlayHootenanny.com

A seafaring goat crew was navigating treacherous waters when their boat capsized. The ship broke apart, leaving wood strewn throughout the waves. To save the goats, players must build a raft from the wood. Each player fights to outsmart the others in a quest to get their goats on the raft. But watch out for the shark lurking in the waters... In this captivating game of strategy, it's every wee goat for themselves.

Geomag Glitter 60-Piece Set
\$39.99; 3+
Maisonette.com

This super stylish line of magnetic sets is perfect for those who adore sparkly colours. Plus, the practical storage boxes are made of recycled plastic, so it's a win for sustainability too.

Rummikub
\$15.99; 8+
GoliathGames.us

Players take turns placing numbered tiles in runs and groups, rummy style. The Joker tiles add to the fun; they can be any color or number. The object is to be the first to play every tile on your rack.

Scribble Scrubbie Pets Ocean Playset
\$24.99; 3+
Crayola.com

Kids can pick their favorite ocean pet from a shark, octopus, whale, or clownfish and color in a fun design that their aquatic pal will surely want to show off around the sea. When they're ready for their little pet to have something new, they dip 'em in the scrubbie lagoon tub to get washed up.

Ravensburger Disney Villainous: Introduction to Evil
\$29.99; 10+
Target.com

This limited-edition game reintroduces four classic Disney Villains - Maleficent, Captain Hook, Ursula and Prince John - along with streamlined gameplay for beginners.

Hugs and Giggles
\$44.95; 12m+
Store.MadameAlexander.com

This 13-inch soft-bodied doll features a vinyl head and limbs, encouraging interactive nurturing play that engages your child's imagination. The doll can even suck her finger or thumbs, adding to the realistic play experience. When playtime is over, cleaning up is a breeze - simply wipe the doll clean with a damp cloth.

Hydraulic Boxing Bots
\$49.95; 10+
ThamesAndKosmos.com

This kit allows you to build two boxing robots and challenge a friend to a match. With complex shoulder gestures, two boxing punches, three waist postures, and interchangeable heads, these robots are designed to float like butterflies and sting like bees.

**Kinetic Sand
Deluxe Beach
Castle**
\$24.99; 3+
[Amazon.com](https://www.amazon.com)

This set features everything you need to create a unique sand kingdom including a multi-tier tray for dynamic beach builds and 10 new, multi-purpose tools and molds to decorate your kingdom. Once you're done playing, seal the play tray with the all-new innovative easy seal lid.

**TrainBots: 2-in-1 STEAM
Maker Kit**
\$39.95; 8+
[ThamesandKosmos.com](https://www.thamesandkosmos.com)

You can build your TrainBot in two different configurations: a rolling train and a walking robot. This retro-futuristic model is packed with modern technology, including an electric motor, LED lights, circuit board, and an innovative ultrasonic atomizer that transforms tap water into the fine mist that rises from the chimney.

Cry Babies Newborn
\$34.99; 18m+
[Target.com](https://www.target.com)

Children become parents to their doll, and learn how to care for, and nurture their newborn with the six included surprises and accessories. Children can wear the interactive bracelet and the doll will recognize the child as their parent, which calms her down when she's crying, and makes her laugh and blush.

Photo Creator Instant Camera
\$50.69; 8+
[Amazon.com](https://www.amazon.com)

This easy-to-use camera includes three different functions in one device – a digital camera, instant printer, and a video camera. You can even choose between 20+ funny effects to add onto your photos. The thermal printing capability means no ink and no film.

Connetix Pastel Mini Pack
\$55; 3+
[ConnetixTiles.com](https://www.connetixtiles.com)

Designed to encourage hours of creativity, fun and learning through play, children will be inspired to explore colours, shapes and patterns, creating houses, boats, animals, car parks, mandalas and so much more.

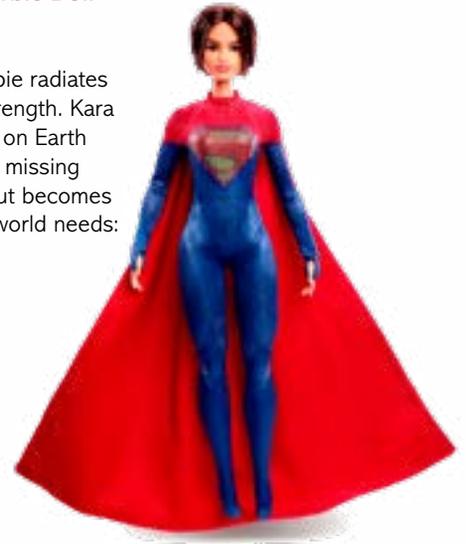

**My Little Pony Mini World
Magic Mare Stream**
\$34.99; 5+
Hasbro.com

Includes five adorable figures that are one inch tall: Sunny Starscout, Izzy Moonbow, Princess Pipp Petals, Zipp Storm, and Hitch Trailblazer. Customize a mini world with bedrooms, kitchen, bathroom, outdoor yard, and more. Includes tactile, fun-to-touch accessories like squishy grass and soft blankets.

Supergirl Barbie Doll
\$55; 3+
Mattel.com

Supergirl Barbie radiates power and strength. Kara Zor-El landed on Earth in search of a missing Kryptonian, but becomes the hero the world needs: Supergirl.

Yeti Yikes! Ski Mountain
\$59.99; 4+
Squaregles.com

This set supports the development of focus, fine motor skills and valuable problem-solving skills as they pop panel pieces in and out of magnetic frames to build, play, design, and repeat.

Monopoly Chance
\$19.99; 8+
Hasbro.com

The high-stakes, card-flipping version of the Monopoly game—and it only takes about 20 minutes to play.

Players compete to buy properties around the board by putting Cash cards on property spaces—and sometimes over other players' Cash. But only those with the top card at the end of the round will own that property and get to add one of its buildings to their skyline.

woom 1 Original Bike
\$249; 18m+
woom.com

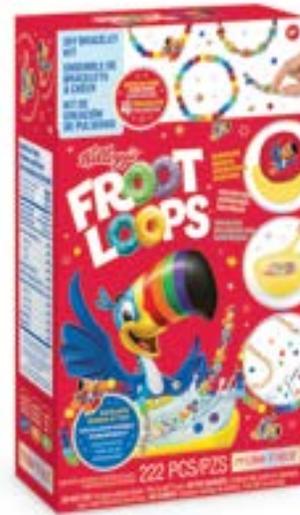

This balance bike is designed to enable toddlers to easily hop on and roll away, learning how to steer, balance, and stop before pedals are introduced. Even if a kid has just started to walk, the woom 1 gives them confidence and a sense of balance on two wheels.

**HugglePod Lite
Nylon Hanging
Chair**
\$39.99; 4+
Hearthsong.com

The perfect comfy hideaway for kids to snuggle, read, take a nap, or enjoy some quiet time. Made of breathable nylon with a reinforced hanging strap and edging, it also includes an inflatable seat cushion.

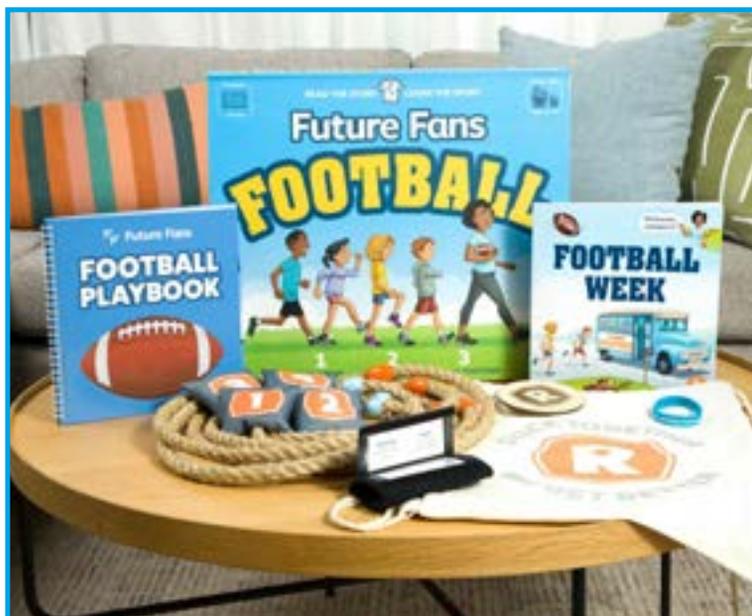

**Kellogg's DIY
Bracelet Kit**
\$14.99; 8+
MakItRealPlay.com

Each kit contains everything needed to make four cereal-sly cute Kellogg's Froot Loops, Kellogg's Frosted Flakes, or Kellogg's Rice Krispies-themed bracelets, including cord, charms, and colorful beads.

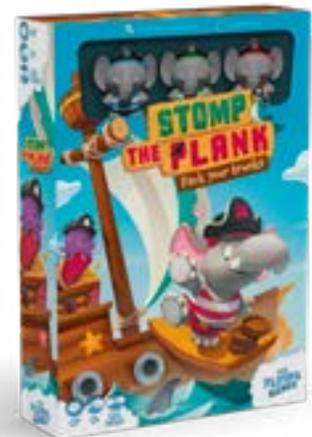

Pink Slips
\$19.99; 8+
Amazon.com

A new inclusive die-cast vehicle line that mirrors a disruptive trend in car culture. These hand-picked luxury cars will be available in 1:64, 1:32, and 1:24 scale, featuring a variety of gorgeous styles, colors, paints, finishes, and designs.

**Future Fans
Football**
\$59.99; 4+
FutureFans.com

Uses stories and games to teach the core concepts of sports in a kid-friendly way. A storybook-led experience where adult and child read as the campers of Camp Rallyhoo learn football in unexpected ways – like playing a ring toss game, doing a scavenger hunt, and even eating cookies.

Stomp the Plank
\$29.99; 5+
Ravensburger.com

A pirate push-your-luck game where players must try to tilt their opponents' planks before they find themselves walking down their own.

Here, Kitty, Kitty!
\$29.95; 10+
FiresideGames.com

In the crazy cat-collecting game, your neighborhood has a cat problem. The problem is that the cats don't all belong to YOU. Everyone in the neighborhood wants to claim those adorable kitties for themselves. Outwit your fellow feline fiends as you lure cats onto your property, move cats into your house, and steal cats from your neighbors.

Harry Potter Tamagotchi Nano
\$19.99; 8+
Bandai.com

Feed, pet, and play four different mini-games to care for your magical creatures or they'll run away. Your play pattern will determine which of the 11 kinds of magical creatures you'll interact with. Choose between two different play modes: Harry Potter mode and Fantastic Beasts mode. There are four different mini-games to play and fan-favorite characters like Harry Potter, Ron Weasley and Hermione Granger will appear.

The Night Hunter
\$39.99; 14+
UniversityGames.com

Can you catch the killer before it's too late in this advanced thrilling crime solving case game.

Beat the 8 Ball
\$27.99; 6+
BlueOrangeGames.com

This intense family party game has players concentrating on getting their timing just right. The goal is to launch their ball on a ramp at the right time to beat the 8 Ball coming down a chute. Players eagerly watch all the balls crash to their final position to see who succeeded in landing before the 8 Ball.

Jurassic World Evolution 2
\$59.99; T for Teen
JurassicWorldEvolution2.com

From breathtaking new locations, such as the Mediterranean islands featured in the Jurassic World Evolution 2: Dominion Malta Expansion, to never-before-seen feathered species in Jurassic World Evolution: Feathered Species Pack, park managers have more options than ever before.

The Magical World of Disney Trivia
\$39.99; 6+
PlayMonster.com

With questions spanning from Steamboat Willie to Encanto, this trivia game takes you on a journey through time. Play as iconic Disney and Pixar characters while visiting 3D points of interest from the movies, and race toward the finish line to be named the game's Ultimate Disney Trivia Master.

JustDutch Christmas Collection
\$36-\$45 each; 3+
JustDutch.us

Iconic Dutch characters Miffy, Melanie and Boris don their adorable handmade holiday outfits. Dolls are larger than expected at 10" tall. Machine washable.

Capt'n Pepe: Treasure Ahoy!
\$49.99; 6+
HabaUSA.com

This interactive, cooperative family legacy game permanently changes over time with gameplay, so each game night brings an all-new experience. Just grab the 25-chapter adventure book and follow the read-along story to embark on adventures, collect treasure and complete the voyage.

Multi-Color Light Board
\$14.99; 6+
Crayola.com

Lets kids create art on a compact and portable light surface that glows in 10 different colors – white, blue, cyan, teal, violet and more. Plus, kids can test out three different light modes.

Triceratops Pix Brix
Dinosaur Series
\$14.99; 6+
Pix-Brix.com

This series includes the four most popular dinosaurs of all time – Stegosaurus, Triceratops, Brachiosaurus and the mighty Tyrannosaurus Rex. Using a simple one piece slide + stack system Pix Brix requires no base plate, water, iron or glue to adhere together allowing for fast and easy building.

Float Factory Race Car
\$69.99; 8+
FloatFactory.co

Featuring a built-in back support, armrest, cup holder, and a steering wheel, you'll feel like you're in the driver's seat of a Formula One race car.

Batwheels Bam the Batmobile Transforming RC
\$39.99; 3+
Mattel.com

The beloved Batwheels Super Hero comes to life with cool lights, signature character phrases, and two speeds including awesome turbo racing action. Kids can use the full function remote control to send Bam racing forward, left, right or in reverse. Then hit the button for Turbo Speed.

Stomp & Pass Football
\$24.99; 5+
Target.com

Challenge friends or enjoy solo play with this versatile game of launching, catching, and throwing the aerodynamic football. It's an exhilarating way to enhance your football skills.

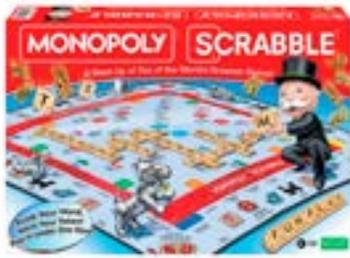

Mickey & Minnie's Cloud Home
\$49.99; 1+
Playmobil.us

An explorative play set supporting the development of toddlers in various ways. Lots of puzzle and plug-in features, like the raindrop staircase, develop both fine motor and cognitive skills.

Vector Stunt Plane
\$79.99; 12+
Sky-Viper.com

Experience fly-by-the-seat-of-your-pants excitement you just can't get with flying a drone. Strap two powerful prop motors to a lightweight 6th generation fighter body, and you've got a recipe for no-holds-barred thrills and performance. Perform amazing loop and barrel roll stunts with a single press of a button.

Monopoly Scrabble
\$35.95; 8+
Winning-Moves.com

No dice are included in this ingenious mash-up of Monopoly and Scrabble. Instead, you move your token ahead by the number of points you scored in the word you just played.

Play-Doh Busy Chef's Restaurant Playset
\$24.99; 3+
Hasbro.com

Lets kids feel like they're running their own restaurant as they create, customize, and share amazing Play-Doh food creations with pretend customers. The menu board and other toy kitchen accessories add to the imaginative play fun.

Glow in the Dark Sand Art Dragon
\$9.99; 6+
Fabercastell.com

A unique dragon bottle, glow-in-the-dark sand, sparkly foil accents and stickers and an adorable dragon figurine. Just layer your sand, decorate your dragon, and make some magic.

Mrs. Castillo's Turtle Van
\$47.99; 7+
Lego.com

Kids can build an awesome turtle van and recreate exciting scenes from the LEGO DREAMZzz TV Show.

Cinema Science DIY 83 Pieces Retro-Like Film Projector
\$39.99; 8+
Macys.com

This captivating kit equips you to construct your personal film projector using 83 provided pieces. Harnessing the power of motion through a hand crank, the projector requires no batteries and presents a thrilling shark-themed 24mm film strip for your initial screening.

Maze Builders Track Set
\$24.99; 3+
PowerUrFun.com

This educational maze logical road builder game set develops your problem-solving and logical thinking skills with multi level brain puzzles.

I'm The Chef Too
\$36.95; 4+
ImTheChefToo.com

Discover fascinating facts about some of your favorite species as you design 3D pancake pets. Not only will you learn how to draw and design these pets, but you'll be able to top them off with syrup and serve them to family and friends.

Christmas Corgi Scratch and Sniff Shaped Mini Puzzle

\$8.99; 4+
Mudpuppy.com

Features a colorful image of a festive corgi wrapped in holiday lights and is evergreen scented. Contains 90% recycled paper and is printed with nontoxic inks.

Magic Mixies Pixlings
\$17.99; 5+
MooseToys.com

A trio of enchanting dolls that kids magically create inside a potion bottle. Add water, colorful elixirs and special ingredients to the bottle, say "Magicus Mixus," then turn and push down on the crystal gem stopper. Awe-mazingly, the colorful potion turns transparent and the Pixling inside is revealed and ready for playtime fun.

Hatchimals Alive! Hatchi-Nursery Playset
\$34.99; 3+
SpinMaster.com

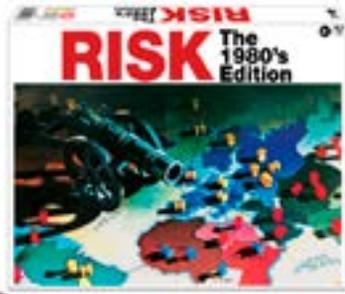

With four water hatch eggs, four accessories and built-in playset you can hatch, play and display them all. Activate the multi hatch by adding water to the cloud, pour it down the rainbow and watch your new Hatchimals magically hatch in the cloud pool.

\$12.99; 3+
[Target.com](https://www.target.com)

The first all-Latina line of fashion dolls designed as a "Una Celebración de la Cultura Latina!" With emphasis on family and community, "Purpose Toys LATIN" boasts cultural talent and leadership who remain committed to authentically representing the pride and the diversity of a celebrated culture.

Risk The 1980's Edition
\$29.95; 8+
[Winning-Moves.com](https://www.winning-moves.com)

This faithful reproduction features the original 1980's artwork and components. Can you acquire the most armies, play them most effectively and conquer the most territories? It's worth the Risk to try.

Santa Clothes the Countdown to Christmas Doll
\$49.99; All ages
[SantaClothesDoll.com](https://www.santaclothesdoll.com)

A fun way to build up the excitement leading up to Christmas day. Each night, beginning on December 12th, kids dress Santa by adding one article of his clothing before bedtime. The remaining clothes on the clothesline are a visual aid for kids to see how close Christmas is getting. They can count the clothing on the line to know exactly how many days are left until the big day.

Mobo Explorer X
\$149.98; 4+
[Mobocruiser.com](https://www.mobocruiser.com)

The durable frame is designed to withhold standing, riding or gliding. Features include a frame pad, footrests, soft gel handles, alloy air tires and an adjustable seat so your little one is sure to stay safe while enjoying the ride.

Cookeez Makery Baked Treatz Oven Playset
\$34.99; 5+
[MooseToys.com](https://www.moose-toys.com)

An oven-themed playset that lets kids mix and make "dough" to create their new sweet-scented plush best friend. And, in a "history in the baking" moment, the plush comes out of the oven warm to the touch.

Tranquil Turtle
\$54.99; All ages
CloudB.com

A calming night light that projects ocean waves onto the ceiling and plays soothing sounds. Its soft glow and plush material make it a comforting companion for babies and young children at bedtime.

Puzzle by Number Wreath
\$24.99; 5+
PlusPlusUSA.com

Follow the enclosed pattern by placing each color on its matching number and watch your creation come to life. Customize it with candy canes, colorful ornaments, or even a Danish Christmas Heart.

NERF Elite 2.0 Double Punch
\$34.99; 8+
Hasbro.com

Features two rapid alternating barrels that move back and forth as you blast darts. It includes 2x 10-dart clips so you can unleash 20 darts in a row. This NERF blaster comes with 50 NERF ELITE 2.0 foam darts in 2 different colors, giving you enough darts to load both 10-dart clips and additional darts to keep nearby in the blaster's 10-dart onboard dart storage.

Penn & Teller Magic Lab Virtual Reality
\$69.99; 8+
AbacusBrands.com

Discover magic like never before, with over 46 pages of interactive content that not only inspires magic enthusiasts, but also enables kids to gain confidence, learn how to perform and present, and get creative through magic. Learn from the best with step-by-step instructions from Penn & Teller themselves.

Magna-Tiles Downhill Duo
\$69.99; 3+
MagnaTiles.com

The first fully magnetic racing adventure that's designed for little hands and big imaginations. Buckle up and imagine the possibilities with new ramps, roads, dashers and figures!
