

# San Diego County's Fall School Directory

**This issue focuses on education!**

Includes articles which help families navigate the education experience from early learning to the college send off.

Parents are looking for education options and services: **preschools, private schools, charter schools, homeschooling, tutors, special education, colleges, adult education programs** and more!

*Advertisers in the education category receive a FREE 50-word write-up in the online School Directory*

Purchase a 1/6 page or larger ad, send up to 50 words of editorial about your school, and we will place it in the online school directory guide.
